

DRAFT/FE/FD/20 May 1970

1. The position of the Far East Area Engineer will be terminated effective 30 June 1970. To the extent possible, the functions of that office will be discharged thru TDY assignments from Headquarters and/or by Logistics Engineers located at

25X1A

██████████ Saigon and Vientiane ██████████ 25X1A

2. Request for services should contain sufficient details of the requirement in order to judge what type of engineering assistance needed. The request should be forwarded to the nearest station having an assigned engineer with an info copy to Headquarters. The engineer with his COS' concurrence will meet the requirement or refer it to Headquarters for action.
